

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

October 19, 2005

PUBLIC HEARING NOTICE

State of Missouri FY2006 Draft Action Plan

The Missouri Department of Economic Development, in conjunction with the Missouri Housing Development Commission, the Department of Health & Senior Services, the Department of Social Services, and the Department of Mental Health, will conduct a series of public hearings to assess the State's Action Plan needs for 2006.

The U.S. Department of Housing and Urban Development (HUD) requires the State of Missouri to publish an annual "Action Plan" outlining the use of HUD funds for the following programs run in the state:

Community Development Block Grant Program (CDBG)

HOME Investment Partnerships Program (MHDC)

Emergency Shelter Grant Program (ESG)

Housing Opportunities for Persons With AIDS (HOPWA)

Continuum of Care/McKinney-Vento Homeless Assistance Act Funds

These programs receive a total annual allocation of approximately \$50 million and serve the "non-entitlement" areas of the state – cities less than 50,000 in population and counties less than 200,000 in population.

The State collected information on the housing, community, and economic development needs for the State of Missouri and assembled a consolidated strategic plan for 2003 - 2007. As an annual addition to this "Consolidated Plan," the FY2006 draft Action Plan must include proposed program budgets, intended use of funds, eligibility requirements, application processes, and any set-aside information.

The public is invited to examine the draft Action Plan and either send written comments or attend one of six public hearings that will take place in November. During the public hearings, each program will be discussed and proposed changes will be reviewed. The hearing schedule is as follows:
